

In our technical department we have the following newly created vacancy

Employee Procurement & Spare Parts 100% (m/f/d)

Your tasks

- Determination of requirements and procurement of spare parts for the terminal locations in Switzerland & France
- Identifying potential suppliers and maintaining relationships, ensuring quality, value and timely delivery
- Monitor inventory levels, track stock levels and optimize reorder points to ensure continuity of terminal operations
- Monitoring expenditure and identifying opportunities to cut costs without compromising quality

Your profile

- University degree in supply chain management, business administration or similar.
- At least 6 years of experience in procurement and warehouse/spare parts management (preferably in a terminal or similar)
- Familiarity with the operational environment / regulators in Switzerland and France
- Written & oral language skills in French and/or English an advantage
- Strong negotiation, organizational and contract management skills
- in possession of a valid category B driving license

The Swissterminal Group, headquartered in Frenkendorf, is a provider of integrated logistics services. Swissterminal operates efficient terminal facilities, depots and ports for combined container transport by barge, rail and lorry at five locations in Switzerland and three locations in France.

In addition to terminal activities and container transport, the service portfolio also includes barge transport, warehousing, storage, trading and the maintenance and repair of containers, as well as securing cold chains and customs clearance.

The international logistics company DP World has held shares in Swissterminal since January 2020.

We are looking for qualified, team-orientated candidates who have set themselves the goal of working in a modern, innovative and future-oriented company. If you are not fazed by hectic situations and have a customer-orientated, competent manner, we look forward to receiving your application.

Send your application by e-mail to
